

RACER® 11.4 LICENSE PRICING

PRICING FOR FISCAL YEAR 2017

RACER 11.4 Commercial Pricing

The price for our RACER software is based on the number of licenses purchased. RACER is a single user, single computer software license. The commercial pricing for RACER 11.4 is as follows:

Number of Licenses	Price Per License
1 – 5	\$3,000.00
> 6	Quote

- The prices above apply to all licenses of RACER 11.4 purchased by your organization in a single transaction. **ALL SALES ARE FINAL**
- Technical Support: With your purchase, you will receive (4) four hours of telephone technical support per license.
- Shipping and Taxes: List prices provided above do not include shipping or sales tax charges.
- Orders delivered outside the United States; we recommend downloading the software from our website. If software on CD is required, the customer must provide a shipping account (either Fed Ex or UPS). Please note that the customer is responsible for payment of all shipping charges (duties, tariffs, taxes, etc).

Discounts

Up to a 20% discount may be applied to the purchase price of RACER training fees if certain training classes are purchased at the same time as the software. Please contact AECOM for details concerning eligibility.

Commercial License Upgrades:

To upgrade from RACER 11.2 or RACER 11.3 to RACER 11.4, the price is **\$2,000.00** per license, which includes an additional 4 hours of Help Line technical support.

Government Agencies

Employees of state or local government entities or employees of a Federal agency other than the US Air Force, DLA/DESC, US Army, US Army Corps of Engineers, US Department of Energy, US Department of the Interior, or the US Coast Guard, the price per license is **\$1,500.00**.

Federal Government Contractors

If the RACER 11.4 software is to be used exclusively for Federal Government contracts with the US Air Force, DLA/DESC, US Army, US Army Corps of Engineers, US Navy, US Department of Energy, US Department of the Interior, or the US Coast Guard, and;

1. the contract requires preparation of cost estimates, review of deliverables, or provide specific support, the price per license is **\$2,000.00**, or
2. the contract requires training activities, preparation of cost estimates, review of deliverables, or provide specific support, the price per license is **\$2,750.00**.

Contractors serving agencies other than those listed above must purchase according to the Commercial pricing table above.
